

2024 START Training Programme

In 2024 we are offering two Lidcombe Program workshops (one in June and one in October).

We are in the process of developing a series of online modules to replace our Working with School Age Children who Stutter workshop. We will keep you informed of our progress with over this year.

Lidcombe Program Workshop

This workshop (delivered via four online modules) is designed for speech language therapists who are interested in using the Lidcombe Program.
